Hello, my name is Alexis Harvey, and I have lived in Whispering Pines for three years; along with my husband, ten-year-old son, and twenty-year-old daughter, who is a junior in college. To tell you a little about myself, I grew up in a military family and have more than 20 years of retail experience having served as a District Manager for companies like Gap, Forever 21, and H&M. I successfully ran complex, multi-state districts that exceeded 180 million dollars in annual revenue and am adept at P&L management, operational controls, negotiating, and resolving conflicts. As I work within the home, I have ample time to dedicate to our Metro District and will be a strong candidate and can apply my skills as a problem solver.

I'm running for Metro District Board because for the past two years I have been serving as a volunteer on various Metro District committees and have first-hand seen many opportunities for positive change within our community's guidelines and rules. I value partnering with our community's homeowners on new initiatives and I firmly believe rules should be applied equally and fairly across our neighborhood.

If elected, my full commitment will be to our Whispering Pines neighborhood. With my strong background, I assure you I will work tirelessly to lower our bonds and ensure that the Metro District is transparent in its operations. Are you aware that currently more than 70% of our taxes are going to our pay our debit? Just think what it could mean to you if we refinance our bonds! A vote for me is a vote for our district, and a step towards equitable representation.

Please reach out to me at Alexis.WhisperingPines@gmail.com if you have any questions. I look forward to engaging in service and welcome you to contact me regarding any ideas or concerns you have for our Metro District.

Thank you,
Alexis Harvey
