

## ABOUT ME:

Hi! My name is **Colleen Alabado** and I have lived in our Whispering Pines Community since May 2019. I am a Pediatric Registered Nurse and have been for fifteen years. I am happily married and a mother of 2 beautiful children (6 and 7 years old). I enjoy doing yoga, spending time outside as a family, and gardening. If you have any questions or concerns, please feel free to reach me @ [criddellrn@gmail.com](mailto:criddellrn@gmail.com).

## REASON FOR RUNNING:

The bottom line reason I am running for the board is because I want to make impactful changes that will benefit our community.

## MY VISION:

I intend to be an actual representation and voice of what the members of this community want. I promise to be fully transparent and communicate openly. I intend to work with the members of this community instead of fighting against them. I want to ensure that the limited finances we have are used towards enhancing our neighborhood. I promise to be fair, compassionate, and listen to the needs of our community members.

## MY QUALIFICATIONS:

As a Registered Nurse, I have a fiduciary duty to do what is right for my patients. It is a promise I embody whole heartedly and I will bring the same respect in this role. As a member of this community who has been negatively impacted directly by board decisions, my passion and determination to want to make positive changes is second to none. I will do right by this community. . . I hope to have your support!

*I CARE ABOUT THIS COMMUNITY AND WANT TO SEE POSITIVE CHANGES!*
