

Welcome to the Whispering Pines Clubhouse and Pool! Here are some helpful guidelines for the Clubhouse and pool. Your key fob should work at all the gates – if your key fob is not working it may be because a pool waiver was not signed. Go to WP website or click here <https://www.whisperingpinesdistrict.com/pool-waiver>.

If you are new or do not have your fob yet, please reach out to marlene@teleos-services.com and she can arrange to connect with you to get the fob. The fobs can not be mailed. There are fob distribution times every year in May. Please make sure to come to clubhouse when we are there.
